Fund Raising General Rules

- F1. Each Fixed Nakro Donation Item can have one or more Fixed Nakro line items available for Donation/Pledge.
- G2. A minimum of 1 Fixed Nakro line item donation for any Donation Item will be accepted. After that, the line item will stay open until the goal of receiving maximum number of Fixed Nakro line item donations is achieved.
- G3. If the minimum Fixed Nakro line item is not pledged prior to one month before the Pratishta, then it may be transferred to the Gheeboli List.
- G4. The Donors name will be recognized on the Recognition Board only after receiving full amount of the Fixed Nakro line item pledges and the Gheeboli pledges.
- G5. If there is insufficient participation in any lottery, that lottery will be cancelled, and funds will be transferred to the members' "General Fund" account.
- G6. The number of participants allowed in various ceremonies will be as per the "Allowed Participants" Column.
- G7. Pran Pratishta for all Murties will be done in USA. Anjan Salaka Vidhi for Shwetambar Murties will be performed in India by Acharya Maharaj.
- G8. A conflict may arise if on the starting day of assigning any new Fixed Nakro Labh or on the same day afterwards, the number of individuals/families sponsoring the same Labh is more than the number of Line items for that Labh available in the Fixed Nakro List, and that they all have made full payment (by transferring funds from their General Fund, by online payment, and/or by sending a check) for that Labh. In such case, the conflict will be resolved by the BOT chairperson or his designee. If the payment is made by check, then the conflict resolution will happen after 7 days to allow time to receive the check. The conflict resolution will be done as follows:
- If all such sponsors agree to pay the donation amount listed in the Fixed Nakro list for the same Labh, the number of Line Items for that Labh will be increased, and all sponsors will be assigned that Labh.
 - If all such sponsors do not agree to the above arrangement, then bidding (Gheeboli) (starting at the minimum with the Fixed Nakro List amount) will be done amongst all such sponsors to assign that Labh to the top bidder(s). The Labh donation amount paid by the sponsor(s) who are not assigned that Labh will be transferred to their General Fund account or will be returned to them upon request.
- G9. Partnership will be allowed in sponsoring any item(s) in the Fixed Nakro list or in Gheeboli, but recognition of donations will be in accordance with the Recognition Rules.
- G10. These General and Recognition rules will apply to the future remaining open Fixed Nakro Items.
- The Board of Trustees reserve the right to update any documents as deemed necessary with appropriate notification to the members. In case of disputes/conflicts the Board of Trustees shall facilitate the resolution and decision of the Board of Trustees shall be final.**
